Specific goals to be accomplished before next review:

*If the recommendation is **Satisfactory**, the committee should list 1-2 specific goals to be accomplished before the next review.*

*If the recommendation is **Marginal** or **Unsatisfactory**, the committee should list below the actions that need to be taken by the student to remedy the issues and to make it likely that a satisfactory evaluation will be obtained at the next progress review. Be specific and include required date(s) required for completion of the criteria. Be aware that two sequential unacceptable (marginal or unsatisfactory) ratings will result in termination from the program.*
