BYU Financial Responsibility Declaration

I understand that when I receive any service from BYU, I accept full responsibility to pay all fees and other associated costs assessed as a result of my receipt of services. I understand that this declaration extends to any charge that I may incur for the receipt of any services from BYU. I agree that if all charges I incur are not paid by the due date and if, for the purposes of collecting the amount due, BYU should retain an attorney or collection agency, I will pay all costs of collection including reasonable interest, reasonable attorney's fees, and reasonable collection agency fees, which may be based on a percentage at a maximum of 40% of the debt. I also agree that this agreement shall be governed by the laws of the State of Utah, and I irrevocably consent to the personal jurisdiction of the courts of the State of Utah to enforce the obligations of this agreement and agree to venue in the County of Utah, State of Utah; and I further agree that any provision of this agreement held by court to be invalid or unenforceable shall not make invalid or unenforceable the remainder of this agreement. I also agree to allow BYU or its agent to contact me by email or cell phone in an effort to collect the debt. I authorize BYU or its agent to use automated telephone dialing equipment, and to use artificial or pre-recorded voice messages in their efforts to contact me. Further I understand that I may withdraw my consent for BYU or its agent to use automated telephone dialing equipment or artificial or prerecorded voice messages to contact me by submitting my request to the BYU Collections Office in writing or verbally at A-153 ASB, Provo, UT 84602, (801) 422-6634; or in writing or verbally to the applicable agent contacting me on behalf of BYU. Finally, I understand that my delinquent account may be reported to one or more of the national credit reporting agencies. By signing this agreement, I agree to the terms of the BYU Financial Responsibility Declaration.
